2010 Water Infrastructure and Conservation Adjustment  
Procedural Schedule

To the Parties:

On November 17, 2010, Staff submitted a proposed procedural schedule consistent with the process set out in Commission Order No. 25,019 (September 25, 2009) for reviewing the proposed list of capital projects and corresponding surcharge on customer bills under its Water Infrastructure and Conservation Adjustment (WICA) tariff provision.

The Commission has determined that the proposed schedule is in the public interest and therefore has approved the following procedural schedule:

Data Requests, Set #1 from Staff/Intervenors	11/19/10
Data Responses from Company	12/03/10
Technical Session	12/09/10 at 9:00 a.m.
File Settlement or Individual Recommendations	12/22/10

Sincerely,

Debra A. Howland  
Executive Director
