

NORTH HAMPTON SCARECROW'S BY THE SEACOAST

The North Hampton Recreation Department in conjunction with the North Hampton Business Association will be hosting a Scarecrow Building Contest amongst the residents and local businesses. The idea behind this is to see who can build the best scarecrows in Town like Regal Limousines has had on display in the past.

Home Depot has offered to host a workshop on how to build a scarecrow for all residents. All you have to do is come, purchase the scarecrow kit, build it at Home Depot, and then design it to represent your business or interests. For example, the Fire Department may build a Firefighter Scarecrow. Residents will be voting for the best scarecrow in a number of categories.

When: Saturday, September 25, 10am

Where: Home Depot **Kit Fee:** \$10

PLEASE JOIN US IN THE FUN-FILLED CONTEST AND
