Save the **February 5 and February 6** (Friday and Saturday) dates for the **Farm and Forest Expo** in Manchester. HYPERLINK "<http://www.farmandforest.org>" We are teaming up with the North Hampton Recreation Department to provide rides in their van or you may caravan your own vehicle with us. There will be demonstrations and seminars on a variety of topics from backyard poultry, sheep and bees, to winemaking, wood lot firewood, growing pumpkins and much more! Sign up early for your ride and enjoy a fabulous day.

**Saturday February 13** we will offer a learn the *Basics of Organic Gardening* course. This will be held at the Library at 10 am and will be your opportunity to learn the methods for obtaining sustainable soils, the important nutrient ratios, how to test your soil, what to do about it and much more. Bring your questions and your plans.

**HELP.....**we are looking for a suitable location for a Community Garden in North Hampton. The site would need land for the gardens, water, and appropriate parking. Any suggestions?

**FOOD, INC** is now available on Comcast Cable TV "On Demand" or may be borrowed from our North Hampton Public Library.
