

Demolition Review Committee  
Monday, 6 Nov 2023  
237A Atlantic Ave.  
Mary Herbert Room, Town Office

Present:

Donna Etela, Chair  
Jim Maggiore, SB Member  
Cynthia Swank, Member  
Jane Robie, Alternate

The meeting was called to order at 12:12pm.

The Chair asked and each member and alternate affirmed that they had reviewed the demolition permit application for buildings at 93 Exeter Road (Tax map 9/lot 33), and viewed from the road the center structures dating from the mid 1970s that are listed on the application. Neither the barn nor original house, c. 1890, will be demolished. The house will be moved and put on a new foundation.

All agreed that the structures listed on the application did not meet the threshold for being considered historically or architecturally significant. The application was approved by the Committee unanimously [Robie moved, Etela seconded]. A letter was signed by all to that effect.

The Committee also voted unanimously to approve Robie's request to contact the owners and ask permission for her to come on the property to take photos from the sides and rear of the buildings as they are now so that there is a photographic record of them. [Maggiore, Robie]

All then signed the letter.

The meeting was adjourned at 12:36 pm.
