Re: Application for Demolition Permit for house located at 34 Maple Road,
Tax Map lot number 6-57

Present: Donna Etela
Jim Maggiore
Cynthia Swank

Alternates: Jeff Hillier, Jane Robie

The meeting was called to order at 1:03 PM.

Each Committee member and alternate had driven by the site and observed the building from the road. All had reviewed the demolition application. Research had uncovered that the structure was older than the 1940 date provided by Vision Appraisal. It originally had been a barn that was moved from Woodland Road to Maple Road in 1939 and renovated as a house.

Etela reviewed the criteria and all agreed that the property did not meet the threshold for being considered an historically significant building. Maggiore moved to approve the demolition application for the house as presented. Swank seconded; the three members voted in the affirmative and signed a letter to that effect which Maggiore left in Town Offices for the interim CEO/BI.

The meeting was adjourned at 1:41 pm.
