To the Highway Department, Town of North Hampton:

Pursuant to New Hampshire State Statutes 236:13 as amended, permission is hereby requested to construct a driveway entrance to my property on the _____ side of Route _____ or (street address) _____ in North Hampton at such location as will meet the requirements for safety specified in said statutes.

The driveway requested is for access to: _____

As the landowner applicant, I hereby agree to the following:

1. To construct driveway entrances only for the bona fide purpose of securing access to private property.
2. To construct driveway entrances at permitted location(s) in accordance with statutes, with provisions of Driveway Permit specifications, and with standard drawings for driveway entrances issued by the Town of North Hampton.
3. To hold harmless the Town of North Hampton and their duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.
4. When the proposed driveway is designed to be stone or gravel a five foot asphalt apron is required.
5. To furnish and install drainage structures that may be necessary to maintain existing highway drainage and adequately handle any increase runoff resulting from construction. When drainage is toward the highway, the area of improvement within the highway limits shall be grated to form a gutter line three inches below the edge of the pavement (or the paved shoulder) at a distance of five feet therefrom.
