First Public Comment Session

Mr. George Chauncey of Hobbs Road said he was there to ask the Board to reconsider or delay the Irrigation System on the Homestead Property. He said he attended the last Library Meeting and they were pretty well along in their design for improvements to their building. He said he felt there would be a Warrant Article on the Ballot for next March, with the project possibly starting next year, and said they would need a large area to stage the construction. He asked the Select Board to reconsider starting the irrigation project right now..

Mr. Frank Ferraro of Post Road said he also wanted to talk about encumbrances. He said he knew the EDC solicited bids for the Village District and approximately \$14,000 was approved there. He said the Fire Department and Police Department projects approved roughly \$55,000 and he supported both projects. He said his question was whether bids had been solicited for those two projects and at what Public Meeting the bids had been opened. He asked why funds were not being taken from the Building Maintenance Capital Reserve Fund for the projects rather than using last year’s surplus, as the fund was established for these kinds of projects.

Consent Calendar

- 6.1 Payroll Manifest of July 3, 2019 in the amount of \$94,293.01
- 6.2 Accounts Payable Manifest of June 27, 2019 in the amount of \$675,829.13
- 6.3 Accounts Payable Manifest of July 3, 2019 in the amount of \$1,392,300.83

Chairman Maggiore explained that the Consent Calendar amounts were larger as they were regular payments to the Schools.

Motion: To approve the Consent Calendar as presented.
Motioned: Selectman Miller
Seconded: Selectwoman Kilgore
Vote: Motion approved 3-0

Committee Updates

Selectwoman Kilgore stated that the *Economic Development Committee* was due to meet this week.

Chairman Maggiore said there were no meetings for the *Heritage Commission* or the *Water Commission*, and said the next Heritage Commission meeting would be July 18, 2019 and there would be an agenda for the Select Board Meeting on July 22, 2019. He said there would be an MOA from the State through Section 106 of the Preservation Act, and said the Heritage Commission will vote on July 18th and forward to the Select Board for review, though there will be no action required by the Select Board, only the Heritage Commission by statute.

Selectman Miller said there had been no meetings of the *Budget Committee*.

Report of the Town Administrator

A copy of the Report of the Town Administrator will be attached to these minutes.

88

89 Town Administrator Bryan Kaenrath said they ended the fiscal year with a surplus of approximately
90 \$400,000, which is in the appropriate recommended range for Fund Balance. He said the next Coakley
91 Landfill Meeting would be held at the Foley Hoag Law Firm in Boston, and Selectwoman Kilgore said she
92 could attend.

93

94 Town Administrator Kaenrath said Public Works Director John Hubbard was busy with paving projects and
95 the Recycle Center roof project would start shortly. Selectman Miller said Mill Road was paved to Rye but
96 no lines had been painted on it. Selectwoman Kilgore said the speed warning sign on Mill Road was also
97 not working.

98

99 Town Administrator Kaenrath said he met with CMA Engineers, NHDES, and the Nature Conservancy to
100 discuss possible grant opportunities for the Philbrick Pond cobble weir replacement project through the
101 Nature Conservancy. He said funds may be available for design work only, and construction would have
102 to come from somewhere else. He said the area is a DOT-owned asset and they would need to work with
103 DOT for permission. He said CMA provided a rough estimate for design and construction of approximately
104 \$60,000 to \$75,000 and said there was a lot of preliminary research to be done here.

105

106 Town Administrator Kaenrath said they also needed to contact Dr. Burdick of UNH about his
107 recommendation to add marsh runneling in conjunction with the cobble weir project. He said they needed
108 to have further discussions with DOT, needed an approximate budget, and needed to look into possible
109 grant opportunities for the design. He said it would improve the condition of the marsh and water levels
110 would come done, but it was still not a fix for the 100-year storm. Chairman Maggiore said as a State
111 Representative he would work closely with the Town Administrator on these and other projects in order
112 to work faster with DOT.

113

114 Town Administrator Kaenrath said the Little Boar's Head sidewalk was repaired in record time, with the
115 damaged part removed and asphalt put down to make the sidewalk safe for summer. He said Document
116 Management had a presentation from Inception Technologies before the meeting, and Conway Office
117 Solutions and Treeno would be presenting at the August 12th meeting.

118

119 Selectwoman Kilgore thanked Town Administrator Kaenrath and Public Works Director Hubbard for
120 completing the LBH sidewalk before July 4th. Chairman Maggiore said at the last meeting they had a
121 resident express their frustration with access to the North Hampton Beach. He said the State had been
122 contacted and stated that they did not get involved in maintenance of "naturally occurring" beaches. He
123 said he would work with Town Administrator Kaenrath to look into other options and expand the
124 conversation with the State.

125

126 **Items Left on the Table** – None

127

128 **NEW BUSINESS**

129

130 **11.1 Final Decision on Committee Appointment Policy**

131

132 Chairman Maggiore said he had emailed Draft #2 of the Committee Appointment Policy to everyone for
133 feedback. Selectwoman Kilgore said this draft was quite different from the first and not part of their
134 packet. She asked about submitting a letter of intention to the Town Administrator under Filling Vacancies
135 on page 4, and said in the past these were submitted to the Town Clerk, who moved them on to the

136 appropriate board for consideration. She said practice is not a totally agreed upon change and not
137 considered to be correct. Chairman Maggiore said so far this was not practice but something they were
138 creating. Town Administrator Kaenrath said that is how it is often done, but in practice submissions were
139 emailed to him or Jan.

140
141 Selectwoman Kilgore said the Town Clerk does not answer to the Town Administrator or the Select Board,
142 but is an elected official, which serves as a check and balance. Chairman Maggiore said they would ask
143 the Town Clerk if she wanted those emails to be routed through her. Selectman Miller said he wanted
144 something that works for their Town and they needed the answer from the Town Clerk. Selectwoman
145 Kilgore then asked if the policy had been reviewed by Counsel or NHMA.

146
147 Chairman Maggiore said NHMA does not weigh in on specific town issues, but they could be asked to look
148 over the policy to make sure it is in compliance with RSA. He said he was reticent to send it to Counsel as
149 they had been sending a lot, and said as a policy is at the discretion of the Select Board as long as there is
150 a consensus.

151
152 **11.2 Economic Development Committee (EDC) Appointment**

153
154 Chairman Maggiore said there was a vacancy on EDC due to the relocation of Jim Better. Town
155 Administrator Kaenrath said the current list of applicants were Frank Ferraro, Laurel Pohl, and David
156 Ciccalone, who currently serves on the Water Commission.

157
158 Chairman Maggiore said the process with multiple candidates for one position was to go through each
159 candidate for a vote and continue until someone is elected. Selectwoman Kilgore said that David Ciccalone
160 had not provided his qualifications with regard to Economic Development, and she asked that Mr.
161 Ciccalone provide more background material before they decided who to consider tonight.

162
163 Selectman Miller said he had met him and he was a willing citizen and a scientist and was not coming from
164 the business community or the Heritage Commission and that was fine with him. Chairman Maggiore said
165 he had no problem taking a vote tonight, and said they would go by the date submitted: Laurel Pohl,
166 March 22nd; Frank Ferraro, May 3rd; David Ciccalone, June 25th.

167
168 **Motion:** To consider Laurel Pohl for the open position on the EDC Committee.

169 **Motioned:** Selectwoman Kilgore
170 **Seconded:** Chairman Maggiore, for discussion

171 Chairman Maggiore read the letter of interest submitted by Laurel Pohl in full.
172 **Vote:** Motion failed by a vote of 1-2

173
174 **Motion:** To consider Frank Ferraro for the open position on the EDC Committee.

175 **Motioned:** Selectwoman Kilgore
176 **Seconded:** Chairman Maggiore, for discussion

177 Chairman Maggiore read the letter of interest submitted by Frank Ferraro in full.
178 **Vote:** Motion failed by a vote of 1-2

179
180 **Motion:** To appoint David Ciccalone to the open position on the EDC Committee.

181 **Motioned:** Selectwoman Kilgore
182 **Seconded:** Chairman Maggiore, for discussion

183 Chairman Maggiore read the letter of interest submitted by David Ciccalone in full.

184 **Vote:** Motion passed by a vote of 2-1
185

186 Chairman Maggiore stated that *David Ciccalone* is appointed to the *Economic Development Committee*.
187 He asked Town Administrator Kaenrath to take care of the paperwork and swearing in. Selectwoman
188 Kilgore said Renee Locke still did not have her paperwork and they were hoping to have it by Wednesday's
189 EDC meeting. Town Administrator Kaenrath said she had not yet appeared in Sue's office, and
190 Selectwoman Kilgore said she had not yet been notified by the Town.
191

192 **11.3 Review Flow Chart**
193

194 Chairman Maggiore said developing a Flow Chart of who answers to whom and who does what in the
195 Town was one of the Select Board Goals. He said the hand-drawn chart provided in the packet was done
196 by Paul Apple. He said he had gotten questions from staff asking whether officials were allowed to contact
197 them directly about certain issues and they had concerns about undue influence. He said he told them
198 that questions should go through the Town Administrator.
199

200 Chairman Maggiore said they would like to formalize this so staff know where their responsibilities lie. He
201 said the Select Board considers policy, then the Town Administrator who manages everything in the Town
202 and the staff of the Town. He said the Police Chief has rights guaranteed by RSA 105, and the RSA piece
203 needed to be added.
204

205 Selectwoman Kilgore said the flow chart was actually the Organizational Chart of the Town, and should
206 probably be so titled, and they are taking steps now to finalize that. She said it would be beneficial to the
207 Town to add all the boards and committees to the chart, and add any RSAs. Selectman Miller asked about
208 the "Administration" section, and Town Administrator Kaenrath said Administration was basically
209 everyone upstairs and Code Enforcement. Chairman Maggiore said the folks on the top line were
210 Department Heads.
211

212 Town Administrator Kaenrath said he felt this chart was an accurate depiction covering all their Town
213 Staff. He said he understood what Selectwoman Kilgore was saying, but said this was just outlining the
214 Town employees and the Town structure. Chairman Maggiore said they could add that the Heritage
215 Commission reports directly to the Select Board by Warrant Article as well as the Water Commission.
216 Town Administrator Kaenrath said they could have another chart for elected and appointed boards and
217 committees, but this was basically employees and appointed officials.
218

219 Chairman Maggiore said if they go with this chart they would need to remove the Planning Board and the
220 ZBA. Selectwoman Kilgore said she would accept a second chart of boards and committees so
221 townspeople and business people could understand the hierarchy. Chairman Maggiore ask that this chart
222 be tightened up and RSA 105 be added for the Police Chief. Chief Tully said Fire was under RSA 154.
223

224 Selectwoman Kilgore felt the Planning Board, ZBA, and Budget Committee should be on here as they are
225 elected, but Chairman Maggiore said they were not Town staff. Selectwoman Kilgore asked about Trustees
226 of Trust Funds and Cemetery employees. Chairman Maggiore asked the Town Administrator to add
227 cemetery and possibly go through Accounts Payable to make sure no employees were missed.
228

229 **11.4 Encumbrances Discussion**
230

Select Board Regular Meeting

July 8, 2019

231 Selectwoman Kilgore said she requested that this be added because Mr. Chauncey had come to her and
232 asked to be able to speak back-and-forth about the irrigation system, as well as other people asking about
233 the encumbrances. She said in the past for encumbrances they actually had a packet with quotes, and she
234 felt the Select Board should address this collectively. Chairman Maggiore said she was asking 2 things,
235 about the sprinkler system on the Homestead Property and the process that led up to the encumbrances,
236 and asked her how she would like to see these addressed.

237
238 Selectwoman Kilgore said as far as Mr. Chauncey, just to answer his concerns and questions. Chairman
239 Maggiore said in reviewing what happened at the last Trustee's Meeting, Ron Lamarre of Lavallee
240 Brensinger Architects, said he was not concerned about staging at all. Selectman Miller said they have a
241 year to think about it.

242
243 Chairman Maggiore said there was a Facilities Meeting today and the Select Board would be meeting with
244 the Trustees on July 22, 2019 at 6:00 pm prior to their regular meeting, and they might have a better idea
245 about what is going to happen at that meeting. He said they had an entire year to act on the Irrigation
246 System encumbrances and they would talk to the Trustees before acting on that.

247
248 Chairman Maggiore asked Selectwoman Kilgore about her question with regard to the quotes.
249 Selectwoman Kilgore said there were multiple quotes required for the Fire and Police Departments and
250 she wanted to make sure everyone in the public knew about them.

251
252 Fire Chief Tully said for the heating system, the Fire Department went out to 5 different companies,
253 received 2 bids, and the lowest was chosen due to cost and being the best option.

254
255 Police Chief Mone said she put out an RFP for renovations and received 3 full responses, all at
256 approximately the same price, and went with the company who could complete the work fastest. She said
257 the lockers had 3 quotes and they went with the middle cost and the one that best fit their needs.

258
259 **Acceptance of the Minutes of Prior Meetings**

260
261 **Approval of the Non-Public Meeting Minutes Sessions I & II of May 13, 2019**

262 Chairman Maggiore said that on the first Non-Public Session the minutes say that Selectwoman Kilgore
263 was absent or abstained from the vote, but said she was clearly not absent nor did he believe she
264 abstained from the vote. Selectwoman Kilgore said she was there on May 13th. Town Administrator
265 Kaenrath said there might have been a typo in those minutes left in inadvertently from previously.
266 Chairman Maggiore said the vote was 3-0, and "absent" just needed to be changed.

267
268 **Motion:** To approve the Meeting Minutes Sessions I & II of May 13, 2019 with the correction that
269 Selectwoman Kilgore was present and voted.

270 **Motioned:** Selectwoman Kilgore

271 **Seconded:** Chairman Maggiore

272 **Vote:** Motion approved 3-0

273
274 **Approval of the Non-Public Meeting Minutes of June 24, 2019**

275
276 **Motion:** To accept the Non-Public Meeting Minutes of June 24, 2019.

277 **Motioned:** Selectwoman Kilgore

278 **Seconded:** Selectman Miller

279 **Vote:** Motion approved 3-0
280 Selectwoman Kilgore said these minutes could not be unsealed.

281
282 **Approval of the Regular Meeting Minutes of June 24, 2019**

283
284 **Motion:** To approve the Regular Meeting Minutes of June 24, 2019 as presented.

288
289 **Any Other Item that may legally come before the Board**

290
291 Town Administrator Kaenrath said he received something from Kirsten Larson Schultz on behalf of NHMA
292 requesting approval from the Select Board to hold a 50-50 Raffle at the Bandstand Concert they are
293 sponsoring on Wednesday, August 24, 2019 with ticket sales going to Centennial Hall. Selectwoman
294 Kilgore said it was a 50-50 Raffle so 50% of the proceeds would go to the ticket owner and 50% to
295 Centennial Hall. Selectman Miller said in previous years they had done this to allow the event to occur on
296 Town property and they approved the reason for doing it.

297
298 **Motion:** To approve the request from the North Hampton Business Association (NHMA) to hold a 50-50
299 Raffle at the Bandstand Concert on Wednesday August 14th, with 50% to the winning ticket holder and
300 50% to Centennial Hall.

301 **Motioned:** Selectwoman Kilgore

302 **Seconded:** Selectman Miller

303 **Vote:** Motion approved 3-0

304
305 Selectwoman Kilgore said at today's Facilities Meeting, she was the Select Board Member who had asked
306 for the discussion as there had been little discussion about facilities on the Board. She said she stated that
307 she thought the Police Department was the number one priority due to their space needs. She said during
308 the session she was just sharing her ideas as she had heard from residents concerned about tax rates. She
309 said she was fully aware that she is an abutter to the Homestead Property and will recuse herself from
310 conversations and votes for anything that goes on the Homestead Property. She said she could speak from
311 the podium as a resident.

312
313 **Second Public Comment Session**

314
315 Mr. George Chauncey of Hobbs Road said Ron Lamarre had given him the same answer about the sprinkler
316 system and said he could stage the construction in the parking lot. But he asked where Library personnel
317 would park in that case.

318
319 **Next Meeting:** The next Regular Select Board Meeting will be held on July 22, 2019 at 7:00 pm in the
320 North Hampton Town Hall.

321
322 **Adjournment**

323
324 Chairman Maggiore adjourned the meeting at 8:14 pm.

325
326 Respectfully submitted,
