Re: Large Assembly Application  
American Lung Association

- Based on last year's plan I recommend again, one cruiser and one officer at the Intersection of Route 111 and Hobbs Road. Bicycles are headed West from Atlantic Avenue proceeding toward the Bandstand where there is a rest stop for the 50 and 100 mile rides (see attached routes).
- Traffic is not stopped on State or Town Roads for more than one or two minutes at a time so there is no State Parade Permit Required.
- This is an efficiently run event that has never created traffic or safety problems based on the way it has been handled in the past, so I have no reason not to recommend approval.

## LARGE GATHERING ORDINANCE

Amended March 11, 2014

### Section 1: PURPOSE

- 1.1 The Town of North Hampton is supportive of charitable events and other large gatherings but finds it is necessary for the protection of the health, safety and welfare of the general public and the quality of life within the town and to prevent the degradation of the environment to enact this ordinance, as authorized by RSA 155:37 and RSA 31:39, regulating large gatherings.
- 1.2 Large gatherings have resulted in nuisances to private citizens and the public at large. Such gatherings have included loud, unpleasant noise, congestion on municipal roads, unsafe driving, litter and rubbish, improper sanitation and unsafe parking on public roadways and private property.

### Section 2: DEFINITION & REGULATION

- 2.1 It shall be unlawful for any person or entity to allow, permit, encourage, promote, organize, conduct or advertise any fundraising event, festival, exhibition, amusement show, fair, theatrical performance, road event (including, but not limited to foot race, bicycle ride or race, motorcycle ride or race) music concert, parade or other entertainment event for **200** or more people without first obtaining a permit to do so from the Town of North Hampton Police Chief. Application for the permit must be submitted at least thirty (**30**) days before the planned event.
- 2.2 Exempted from this ordinance are events held, sponsored or promoted by the Town on public property, youth sports and recreation games, and school events. However, coordinators of these events are required to notify the Police Chief of the event. The Police Chief is authorized under RSA 105:9 to assign police details to public meetings or functions, even if they do not require a permit from the Town under this ordinance.
- 2.3 Anyone holding a private party on private, residential property for **200** or more people not covered by Section 2.1 above is required to notify the Police Chief at least **30** days before the event, and the Chief will determine whether a formal application for a Large Assembly permit is required.

- 2.4 The Police Chief shall have the authority to grant or deny each permit application, or to require certain conditions deemed necessary for the protection of the public health, safety and welfare. The Chief shall have the authority to limit the number of simultaneous large gatherings and shall issue a timely, written response for a permit denied or one issued with conditions. All permits approved shall be published on the Town's website within forty-eight (48) hours.
- 2.5 Any person or entity whose application has been denied or approved with conditions may appeal the decision to the Town Select Board. Any citizen who opposes a permit may likewise appeal the decision to the Town Select Board.
- 2.6 The Police Chief shall not have the authority to waive the time limit required under this ordinance. Any application not submitted at least thirty **(30)** days before the event must be submitted to the Town Select Board, which shall have the sole authority to grant or deny a late application.

### **Section 3: PENALTY**

- 3.1 Any person who shall let or use any building or grounds for the purposes specified in this ordinance after the required permit has been denied or rescinded, or any person violating any provisions of this ordinance shall be fined not more than one thousand dollars (\$1,000.00). The Chief of Police or the Chief's designee is granted authority to enforce this ordinance, including initiating prosecution.
