Re: Large Assembly Application

Granite State Wheelmen 2015 Century Ride – September 26-27, 2015 (Saturday & Sunday)

- This is the second year of a new route after consultations between the police department and the organizers. The route begins and ends in Hampton, and enters North Hampton via Rte. 1A north. Bicyclists returning will be using Woodland Road, left onto Maple Road, left into Chapel Road, right onto Willow Avenue, and then right onto Ocean Boulevard (Rte. 1A south) out of North Hampton into Hampton.
- Under no circumstances will any volunteer be permitted to conduct traffic control at any intersection or upon any roadway in North Hampton.
- No detail officers are required for this due to the route. It is important to note that this is a ride of bicycles and not a race of any kind, so the riders will be adhering to traffic signage and applicable state laws along the route.
- I have placed my signature on the review section of the application, and if it is reviewed and approved by Code Enforcement, Public Works, and Fire and Rescue I will approve the gathering based on the conditions set forth and required and forward it to Carol Stark.

Dear Chief Maddocks:

Congratulations on your appointment as Chief. We look forward to working with you. On behalf of the Granite State Wheelmen bicycle club, please accept our thanks for the excellent support your Department provided for the 2014 Seacoast Century. Your Department offered several great suggestions for modifying our route in North Hampton and Rye that made it safer and more enjoyable for the riders last year. We propose using the same route again for the 42nd annual Seacoast Century planned for September 26-27, 2015. Enclosed for your review is an application and proof of insurance for our event.

Again, our thanks for your Department's support and assistance in making the Seacoast Century a safe and successful event. If you have any question or need additional information please contact me.

Sincerely yours,

Donna L. Hepp
