Re: Large Assembly Application

**Loco Sports Smuttynose Rockfest Half Marathon – October 4, 2015 (Sunday)**

- This is the second year of the new race route. All of the runners remain in the Town of Hampton, and North Hampton only experiences a detour that only affects Ocean Boulevard and Atlantic Avenue, and no through traffic to Hampton via Woodland Road. Loco Sports will have signage for detours displayed during the race. It is also important to note that the detours do not apply to residents or non-residents traversing within the Town of North Hampton. Town residents or non-residents who want to travel into Hampton will be limited to using Lafayette Road to do so during the hours of this race.
- Under no circumstances will any volunteer be permitted to conduct traffic control at any intersection or upon any roadway in North Hampton.
- There is a condition of a minimum requirement of three (3) police Detail Officers with three cruisers. Any Detail Officer must be either North Hampton Police officers or Mutual Aid officers called in and requested through my office. It is the responsibility of the organizer to call the police department in advance to schedule the details. The three locations of these police officers with cruisers will be as follows:
  - At the intersection of Ocean Boulevard (Rte. 1A) and Atlantic Avenue (Rte. 111) where a detour will be set up, preventing southbound through traffic on Ocean Boulevard to Hampton. This would insure the safe flow of traffic at the detour and reduce traffic going south on Ocean Boulevard to those only wanting to get to the North Hampton State Beach area.

- Area of Ocean Boulevard (Rte. 1A) and Appledore Avenue at the North Hampton / Hampton town line, preventing southbound traffic on Ocean Boulevard from entering Hampton and preventing illegally parked vehicles.
  - Area of Woodland Road and Rockrimmon Road at the North Hampton / Hampton town line to prevent through traffic by residents and non-residents from entering Hampton where there will be many runners using Woodland Road in Hampton to run this race and to prevent illegally parked vehicles.
- I have placed my signature on the review section of the application, and if it is reviewed and approved by Code Enforcement, Public Works, and Fire and Rescue I will approve the gathering based on the conditions set forth and required and forward it to Michael St. Laurent.
  - Parade Permit to be signed by the Police Chief and returned to Michael St. Laurent following the Department Head approvals of the assembly.

Michael E. Maddocks  
Chief of Police

HAMPTON BEACH

Hampton

# **NOTICE**

# **Spectators**

## **NO Vehicles**

**allowed on the race course, OR on adjacent roads leading to the race!**

**Please stay in the Hampton Beach area and cheer for your runner. (The course is designed for you to see your runner at the start, at mile 2, mile 4 and the finish)**

**PLEASE - Do not drive out to see runners on the course.**

Spectator traffic in Hampton and North Hampton is a huge concern for the local residents. This race may be cancelled in future years if spectator traffic continues to clog roads. (This means YOU!)

Most roads will be posted with NO Parking signs - and spectator cars will be towed if parked anywhere near the course.

We understand you want to support your runner and cheer them on. However, the volume of spectator vehicles on the course is detrimental to our relationship with our host towns. Please respect this policy. Thank you.

**STATE OF NEW HAMPSHIRE**  
Application for Parade Permit or Other  
Activity Conducted on State Highway System

Today's Date April 27, 2015

To: Department of Transportation  
Transportation Management Center  
PO Box 483, 110 Smokey Bear Blvd
