

GREENS TO THINK ABOUT GROWING.....Very versatile and great additions to salads.

- **Arugula** Fast-growing, peppery greens add spice to salad.
- **Asian** Flavors range from pungent to sweet. Great for stir fries and salads.
- **Cress** Fast-growing greens for salad mixes, sandwiches, soups, or garnishes.
- **Mustard** Colorful, pungent greens are good for sauteés and salads.
- **Sorrel** Lemon flavor tickles tongues on salads, soups and sauces. Perennial.
- **Specialty** Choose from Claytonia, Spreen, Purslane, Minutina, and more.
