III. OLD BUSINESS

a. Discussion of Proposal by Rick Taintor

Mr. Apple submitted Mr. Taintor's proposal to the Committee and indicated he had not had the opportunity to review it. He suggested the Committee take it up at the workshop.

Mr. Wilson summarized the proposal as follows: a base-line analysis for \$4,870 and facilitating a visioning process for \$4,540.

Mr. Stachow asked if a baseline had been done before. Mr. Wilson said it had not. Mr. Stachow asked if Mr. Taintor had indicated a time-frame. Mr. Apple indicated that no time-frame had been suggested.

Mr. Bernardo asked if the work had been bid. Mr. Apple responded that it had not been and that the submission was really to get discussion going for decision to solicit bids. The town's policy requires competitive bidding on projects over \$3,000.

Consensus of the Committee is to: clarify what the scope of work would be for a baseline analysis, and clarify the time line, and to again circulate Mr. Taintor's project materials submitted in March.

IV. NEW BUSINESS

a. Discussion of Committee Charge

Mr. Apple gave a procedural summary of the debate about changes to the EDC charge. He recommended that the charge was broad enough to encompass the vision work contemplated. Mr. Better suggested the Committee should focus its efforts on the vision workshop now scheduled for September 11. Mrs. Kilgore said she just wants to make sure that the charge doesn't limit the work the Committee can do. Mr. Better said he doesn't perceive a limitation.

Consensus of the Committee is to discuss the charge at the vision workshop and to make sure the revised charged is recirculated.

b. Discussion of Vision Process and Meeting Schedule

Mr. Better said his goal for the workshop is to get a short statement on what the Committee would be doing over the next year.

Mr. Stevens said he would circulate the previous draft vision materials.

Mr. Stachow said a framework for the discussion could be core values, SWOT analysis and action items with bench marks.

Mr. Apple suggested that the Committee meet on the first Wednesday of the Month at 6:00 p.m.. Mr. Wilson clarified that the schedule would begin in October. Mr. Better asked if the Committee would agree to meet at 4 p.m.

Consensus of the Committee is to meet on the first Wednesday of the Month at 4:00 p.m. beginning in October.
