Re: Large Assembly Application
Blacksmith's Ride for Life (WHEB and Seacoast Harley) – October 1, 2016 (Saturday)

- This is the 1st time this event is requested to be held in North Hampton. This motorcycle charity ride begins at Seacoast Harley Davidson with registration beginning at 8:30 am, and the 2-hour ride leaving at 11:30 am. The route designated leaving Seacoast Harley would turn left onto Lafayette Road (Rte. 1) and proceed less than a quarter mile and then turn right onto Post Road (Rte. 151) in Hampton and reentering North Hampton on Post Road. The route will continue about three miles and then turn left onto Winnicut Road and proceed into Stratham. The ride would wind through several towns, and reenter the Town of North Hampton from Greenland on Post Road (Rte. 151) and proceed along Post Road to the intersection with Lafayette Road in Hampton, and then turn left onto Lafayette Road (Rte. 1) less than a quarter mile and turn right into Seacoast Harley. The ride arrives back at Seacoast Harley between 1:00 pm – 1:30 pm. The route designated in North Hampton does not include traffic lights or stops signs thereby reducing traffic impacts in the town. The intersection of Lafayette Road and Post Road being out of North Hampton's jurisdiction, the organizer will be required to contact the Hampton Police Department to arrange traffic control.
- Applicant, Seacoast Harley, expects a minimum of 200 participants and a maximum of 1000 participants and estimates about 800 in attendance. Within one week of the motorcycle ride, the final number of motorcycles that participated in the ride shall be forwarded to the Chief of Police.
- Under no circumstances police motorcycles or any other type of emergency vehicle from any other jurisdiction be permitted to utilize any type of emergency equipment (blue lights, red lights, sirens, etc.) in the Town of North Hampton for this event.
- Under no circumstances will any volunteer, road captain, civilian or police escort, be permitted to conduct traffic control at any intersection or upon any roadway in North Hampton.

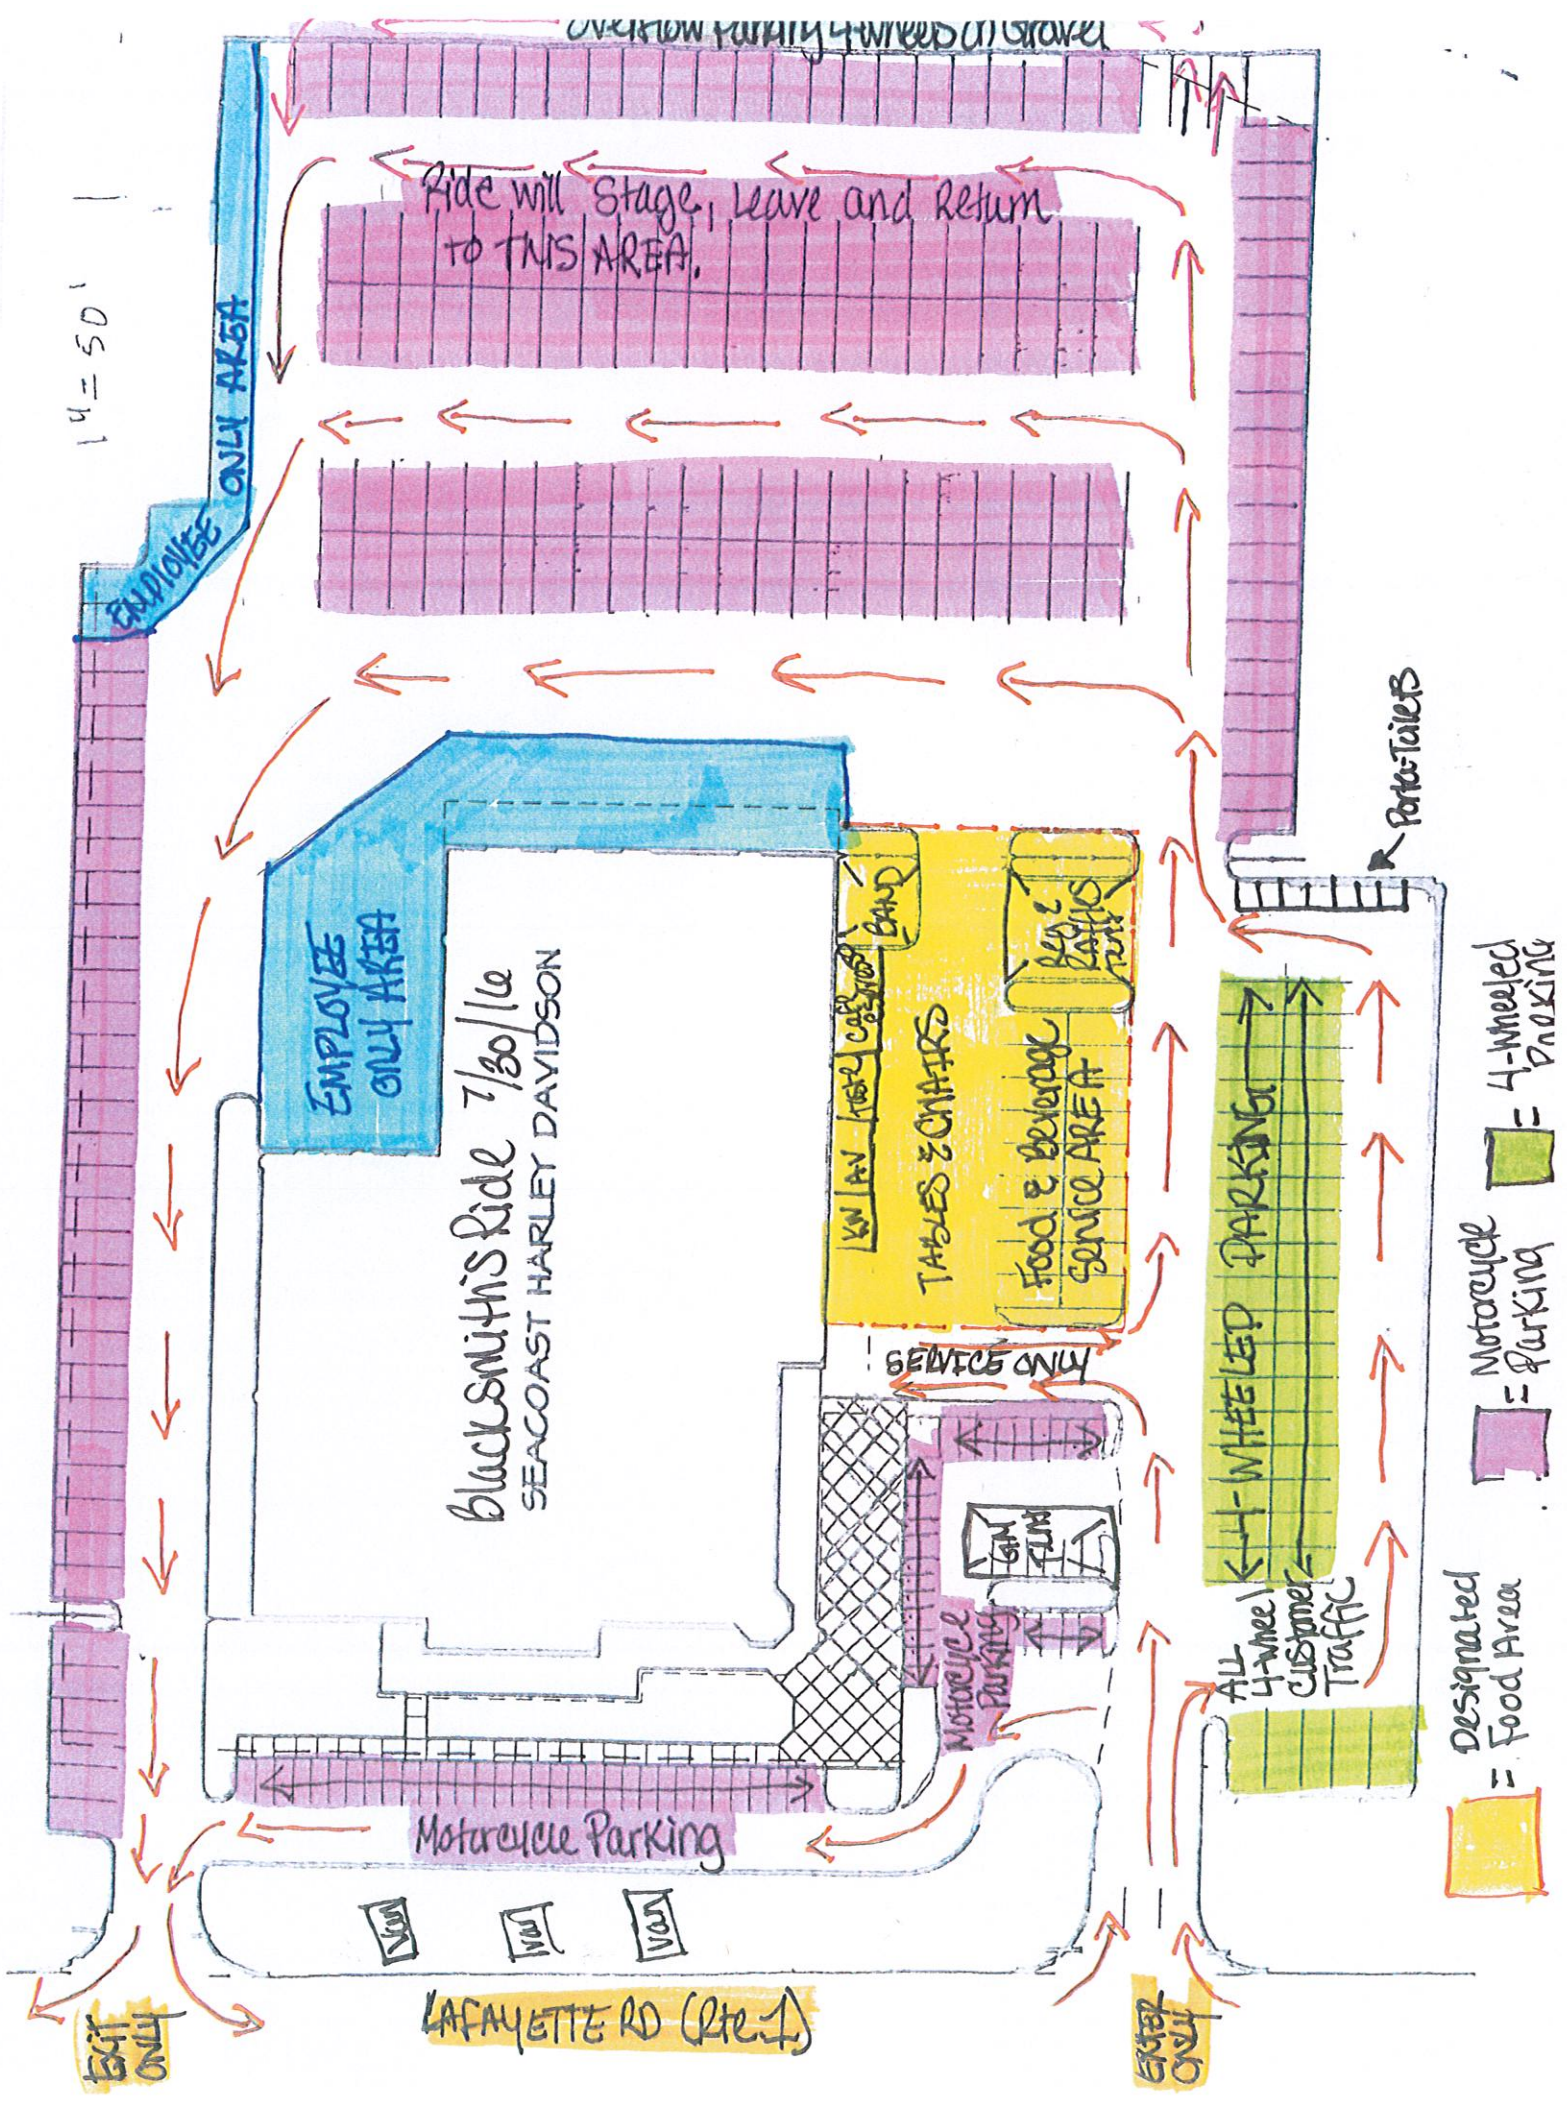

- There is a condition of a minimum requirement of three (3) police Detail Officers with cruisers. Any Detail Officer must be either North Hampton Police officers or Mutual Aid officers called in and requested through my office. It is the responsibility of the organizer to call the police department in advance to schedule the detail. The officers will begin the detail at Seacoast Harley. Shortly prior to the start of the ride the location of these police officers with cruisers will each take a location as follows:
 - At Seacoast Harley to get the ride onto Lafayette Road (Rte. 1) stopping traffic northbound traffic.
 - At the intersection of Lafayette Road and Cedar Road in order to stop southbound traffic on Lafayette Road and detour vehicles down Cedar Road, vehicles then would turn right onto Mill Road to proceed to Hampton.
 - Post Road (Rte. 151) at Winnicut Road to stop southbound traffic on Post Road and assist the procession onto Winnicut Road.

The officers will then be assigned to Seacoast Harley to assist with traffic at the predetermined entrance and exit for the event. * The police department reserves the right to increase the number of detail officers dependent upon the number of participants in the event.

- The Chief of every town the ride intends on proceeding through **shall** be contacted by the applicant to inform them of the ride and its route.
- As part of the festivities the applicant intends on having a band and service of food and beverages, but no alcohol. The applicant has submitted a site map for traffic within Seacoast Harley as well as locations of festivities within.
- Have a Certificate of Liability Insurance naming the Town of North Hampton as additional insured and submit to the Chief of Police.
- I have placed my signature on the review section of the application, and if it is reviewed and approved by Code Enforcement, Planning & Zoning, Public Works, and Fire and Rescue I will approve the gathering based on the conditions set forth and required and forward it to Arielle Andrews.
- The applicant **shall** make notification and seek approval for the event through the Department of Transportation (DOT) District Engineer of Division 6 #603-868-1133 for activity conducted on the State Highway System at least 30 days in advance. Any approval received must be forwarded to the Chief of Police.

When traffic control signals are not in place or not in operation the driver of a vehicle shall yield the right of way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

II. No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close as to constitute an immediate hazard.

III. Paragraph I shall not apply under the conditions stated in RSA 265:36.

III. Between adjacent intersections at which traffic control signals are in operation pedestrians shall not cross at any place except in a marked crosswalk.

IV. No pedestrian shall cross a roadway intersection diagonally unless authorized by traffic control devices; and, when authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic control devices pertaining to such crossing movements.

LARGE GATHERING ORDINANCE

Amended March 11, 2014

Section 1: PURPOSE

- 1.1 The Town of North Hampton is supportive of charitable events and other large gatherings but finds it is necessary for the protection of the health, safety and welfare of the general public and the quality of life within the town and to prevent the degradation of the environment to enact this ordinance, as authorized by RSA 155:37 and RSA 31:39, regulating large gatherings.
- 1.2 Large gatherings have resulted in nuisances to private citizens and the public at large. Such gatherings have included loud, unpleasant noise, congestion on municipal roads, unsafe driving, litter and rubbish, improper sanitation and unsafe parking on public roadways and private property.

Section 2: DEFINITION & REGULATION

- 2.1 It shall be unlawful for any person or entity to allow, permit, encourage, promote, organize, conduct or advertise any fundraising event, festival, exhibition, amusement show, fair, theatrical performance, road event (including, but not limited to foot race, bicycle ride or race, motorcycle ride or race) music concert, parade or other entertainment event for **200** or more people without first obtaining a permit to do so from the Town of North Hampton Police Chief. Application for the permit must be submitted at least thirty **(30)** days before the planned event.
- 2.2 Exempted from this ordinance are events held, sponsored or promoted by the Town on public property, youth sports and recreation games, and school events. However, coordinators of these events are required to notify the Police Chief of the event. The Police Chief is authorized under RSA 105:9 to assign police details to public meetings or functions, even if they do not require a permit from the Town under this ordinance.
- 2.3 Anyone holding a private party on private, residential property for **200** or more people not covered by Section 2.1 above is required to notify the Police Chief at least **30** days before the event, and the Chief will determine whether a formal application for a Large Assembly permit is required.

- 2.4 The Police Chief shall have the authority to grant or deny each permit application, or to require certain conditions deemed necessary for the protection of the public health, safety and welfare. The Chief shall have the authority to limit the number of simultaneous large gatherings and shall issue a timely, written response for a permit denied or one issued with conditions. All permits approved shall be published on the Town's website within forty-eight (48) hours.
- 2.5 Any person or entity whose application has been denied or approved with conditions may appeal the decision to the Town Select Board. Any citizen who opposes a permit may likewise appeal the decision to the Town Select Board.
- 2.6 The Police Chief shall not have the authority to waive the time limit required under this ordinance. Any application not submitted at least thirty (30) days before the event must be submitted to the Town Select Board, which shall have the sole authority to grant or deny a late application.

Section 3: PENALTY

- 3.1 Any person who shall let or use any building or grounds for the purposes specified in this ordinance after the required permit has been denied or rescinded, or any person violating any provisions of this ordinance shall be fined not more than one thousand dollars (\$1,000.00).
