Re: Large Assembly Application

Sarah's Ride (Portsmouth Firefighters Charitable Association) – September 10, 2016 (Saturday)

- This is the 7th annual event. This year the motorcycle charity ride begins at Rochester Harley Davidson in Rochester, NH, leaving at about 9:30 am. The route will wind through several towns, and enter the Town of North Hampton at approximately 12:15 pm. The route designated in North Hampton does not include traffic lights or stops signs thereby reducing traffic impacts in the town. The route would be entering North Hampton from Greenland on Rte. 151 (Post Road) and continue to the intersection of Rte. 1 (Lafayette Road) at intersection of Rte. 151 (Post Road) in Hampton. From that intersection the procession would turn left onto Rte. 1 (Lafayette Road) and proceed about less than a quarter mile and turn right into Seacoast Harley Davidson. The intersection of Lafayette Road and Post Road being out of North Hampton's jurisdiction, if assistance is needed at that intersection the organizer will need to contact the Hampton Police Department.
- Organizer, Portsmouth Firefighters Charitable Association, expects a minimum of 250 participants and a maximum of 500 participants. Within one week of the motorcycle ride, the final number of motorcycles that participated in the ride shall be forwarded to the Chief of Police.
- Under no circumstances police motorcycles or any other type of emergency vehicle from any other jurisdiction be permitted to utilize any type of emergency equipment (blue lights, red lights, sirens, etc.) in the Town of North Hampton for this event.

- Under no circumstances will any volunteer, civilian or police escort, be permitted to conduct traffic control at any intersection or upon any roadway in North Hampton.
- There is a condition of a minimum requirement of one (1) police Detail Officer with cruiser at Seacoast Harley. Any Detail Officer must be either North Hampton Police officers or Mutual Aid officers called in and requested through my office. It is the responsibility of the organizer to call the police department in advance to schedule the detail.
- As part of the festivities the applicant intends on having a DJ and service of food and beverages, but no alcohol. Seacoast Harley intends on using a site map previously planned for events such as this.
- The Chief of every town the ride intends on proceeding through **Shall** be contacted by the applicant to inform them of the ride and its route.
- Have a Certificate of Liability Insurance naming the Town of North Hampton as additional insured and submit to the Chief of Police.
- I have placed my signature on the review section of the application, and if it is reviewed and approved by Code Enforcement, Public Works, and Fire and Rescue I will approve the gathering based on the conditions set forth and required and forward it to Jonathan Gray.
- The applicant **Shall** make notification and seek approval for the event through the Department of Transportation (DOT) District Engineer of Division 6 at #603-868-1133 for activity conducted on the State Highway System.

Pedestrians' Rights and Duties

265:34 Pedestrians Subject to Traffic Signs and Regulations. A pedestrian shall obey the instructions of any traffic sign or regulation specifically applicable to him, unless otherwise directed by a police officer. Pedestrians shall be subject to traffic and pedestrian control signals as provided in RSA 265:9 unless required by local ordinance to comply strictly with such signals. At all other places, pedestrians shall be accorded the privileges and shall be subject to the restriction stated in this chapter.

265:35 Pedestrian's Right of Way in Crosswalks.

I. When traffic control signals are not in place or not in operation the driver of a vehicle shall yield the right of way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

II. No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close as to constitute an immediate hazard.

III. Paragraph I shall not apply under the conditions stated in RSA 265:36.

IV. Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

265:36 Crossing at Other Than Crosswalks.

I. Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right of way to all vehicles upon the roadway.

II. Any pedestrian crossing a roadway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right of way to all vehicles upon the roadway.

III. Between adjacent intersections at which traffic control signals are in operation pedestrians shall not cross at any place except in a marked crosswalk.

IV. No pedestrian shall cross a roadway intersection diagonally unless authorized by traffic control devices; and, when authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic control devices pertaining to such crossing movements.

265:37 Drivers to Exercise Due Care. Notwithstanding the foregoing provisions of this chapter or the provisions of any local ordinance, every driver of a vehicle shall exercise due care to avoid colliding with any pedestrian or any person propelling a human-powered vehicle and shall give an audible signal when necessary and shall exercise proper precaution upon observing any child or any obviously confused, incapacitated or intoxicated person.

265:38 Pedestrians to Use Right Half of Crosswalks. Pedestrians shall move, whenever practicable upon the right half of crosswalks.

265:39 Pedestrians on Roadway.

I. Where sidewalks are provided it shall be unlawful for any pedestrian to walk along and upon an adjacent roadway.

II. Where a sidewalk is not available, any pedestrian walking along and upon a way shall walk only on a shoulder, as far as practicable from the edge of the roadway. Where neither a sidewalk nor a shoulder is available, any pedestrian walking along and upon a way shall walk as near as practicable to an outside edge of the roadway, and if on a two-way roadway, shall walk only on the left side of the roadway.

III. Except as otherwise provided in this chapter, any pedestrian upon a roadway shall yield the right of way to all vehicles upon the roadway.

265:40 Pedestrians Soliciting Rides or Business.

I. No person shall stand on the traveled portion of a roadway for the purpose of soliciting a ride, employment, business or contributions from the occupant of any vehicle.

II. No person shall stand on or in proximity to the traveled portion of a street or way for the purpose of soliciting the watching or guarding of any vehicle while parked or about to be parked on a street or way.

III. It shall be lawful for any person to hitchhike or solicit a ride from the occupant of any vehicle upon any road or way, or limited access road and highway provided that the individual is not, when so doing, standing on the paved portion of the road or way.

LARGE GATHERING ORDINANCE

Amended March 11, 2014

Section 1: PURPOSE

- 1.1 The Town of North Hampton is supportive of charitable events and other large gatherings but finds it is necessary for the protection of the health, safety and welfare of the general public and the quality of life within the town and to prevent the degradation of the environment to enact this ordinance, as authorized by RSA 155:37 and RSA 31:39, regulating large gatherings.
- 1.2 Large gatherings have resulted in nuisances to private citizens and the public at large. Such gatherings have included loud, unpleasant noise, congestion on municipal roads, unsafe driving, litter and rubbish, improper sanitation and unsafe parking on public roadways and private property.

Section 2: DEFINITION & REGULATION

- 2.1 It shall be unlawful for any person or entity to allow, permit, encourage, promote, organize, conduct or advertise any fundraising event, festival, exhibition, amusement show, fair, theatrical performance, road event (including, but not limited to foot race, bicycle ride or race, motorcycle ride or race) music concert, parade or other entertainment event for **200** or more people without first obtaining a permit to do so from the Town of North Hampton Police Chief. Application for the permit must be submitted at least thirty **(30)** days before the planned event.
- 2.2 Exempted from this ordinance are events held, sponsored or promoted by the Town on public property, youth sports and recreation games, and school events. However, coordinators of these events are required to notify the Police Chief of the event. The Police Chief is authorized under RSA 105:9 to assign police details to public meetings or functions, even if they do not require a permit from the Town under this ordinance.
- 2.3 Anyone holding a private party on private, residential property for **200** or more people not covered by Section 2.1 above is required to notify the Police Chief at least **30** days before the event, and the Chief will determine whether a formal application for a Large Assembly permit is required.

- 2.4 The Police Chief shall have the authority to grant or deny each permit application, or to require certain conditions deemed necessary for the protection of the public health, safety and welfare. The Chief shall have the authority to limit the number of simultaneous large gatherings and shall issue a timely, written response for a permit denied or one issued with conditions. All permits approved shall be published on the Town's website within forty-eight (48) hours.
- 2.5 Any person or entity whose application has been denied or approved with conditions may appeal the decision to the Town Select Board. Any citizen who opposes a permit may likewise appeal the decision to the Town Select Board.
- 2.6 The Police Chief shall not have the authority to waive the time limit required under this ordinance. Any application not submitted at least thirty **(30)** days before the event must be submitted to the Town Select Board, which shall have the sole authority to grant or deny a late application.

Section 3: PENALTY

- 3.1 Any person who shall let or use any building or grounds for the purposes specified in this ordinance after the required permit has been denied or rescinded, or any person violating any provisions of this ordinance shall be fined not more than one thousand dollars (\$1,000.00).
