Other Spring Recreation Programs discussed:

- Jim mentioned he connected with the First Tee Recreation Partnership Discount Programs. He is working with Chris to set up link/ registration. Danielle asked (as requested from a few parents) if we could work on offering transportation with Recreation van for the First Tee program.
- Danielle inquired about American Red Cross for babysitting as Exeter offers. Jim to research as both Danielle and Diane Andrews felt it would be a good offering given the large amount of 8th graders looking for employment over the summer. We discussed looking for sponsors to offset the cost of the program for participants.
