Roll Call

Approval of August 9, 2022 Draft Meeting Minutes

**2. New Business:**

**A. North Hampton School Forestry Stewardship Program:** NHS plans to add a Forestry Stewardship program to its curriculum and would like to discuss the objectives of the program with the Conservation Commission for guidance and also permitting assistance for creating trails on the school's nature preserve.

**B. New England Mountain Biking Association (NEMBA) Application for Grant Funds & Review of the Lafayette Crossing Conservation Easement:** Tim Mallard, President of the NEMBA Seacoast Chapter requested a letter of support from the Commission for an application submitted to the NEMBA on August 30, 2022 for grant funding to replace existing bridges on the Lafayette Crossing Trail conservation land with the goal of connecting cyclists to the rail trail from Route 1 commercial property located on Lot 7-41. The Commission plans to discuss the application to determine whether the NEMBA proposal is consistent with the terms of the Lafayette Crossing conservation easement.
