1. In conjunction with and support of the SIP, the School Board will work with the Administration and SAU to provide the North Hampton School community with a clear
outline and updates on the Social Emotional Learning and Diversity Equity and Inclusion work the school is adopting to support students, teachers and staff.

2. In conjunction with and support of the SIP, the School Board will work with the Administration and SAU to provide the North Hampton School community with updates
and learning opportunities regarding the implementation of Competency Based Learning at the North Hampton School.

on curriculum alignment, improvements and progress.
