43			

44	Chair Maggiore stated there were three Non-Public Sessions on the agenda, however Non-Public Session II
45	was cancelled.
46	Chair Maggiore stated in the first Non-Public Session there were no motions or votes taken.
47	
48	Motion by Selectwoman Kilgore to seal the minutes of Non-Public Session I, pursuant to RSA 91-A:3,
49	III. Seconded by Selectman Miller. Motion carries 3-0.
50	
51	Chair Maggiore stated in the third Non-Public Session a motion had been made and the vote was 3-0, and
52	there was no need to seal the minutes. He further stated in lieu of taking further legal action with Wiggins
53	Way Homeowner Association, the Select Board is going to seek alternative methods with local
54	representatives in the legislature.
55	
56	Chair Maggiore stated the Select Board would be inviting them to a future Select Board meeting to engage
57	in discussions.
58	
59	Mr. McIntyre explained Chapter 29 of the 2017 New Hampshire Laws, SB 191, which provides for
60	additional education grants to school districts that have full-day kindergarten, with the funding for those
61	grants to come, in part, from the proceeds of keno operations.
62	
63	Mr. McIntyre stated each community must approve of keno in their jurisdiction, and it has to go on the
64	official ballot in order to get approval or disapproval by the voters.
65	
66	Mr. McIntyre stated Keno is only sold in licensed establishments or bars, or what he characterizes as
67	"pouring establishments" during certain hours of the day.
68	
69	Mr. McIntyre stated through this program the State will be sending a minimum of \$1,100 per full day
70	Kindergarten student regardless of whether or not the town approves Keno.
71	
72	Selectwoman Kilgore asked what the cost to business owners is and Mr. MyIntyre stated there is an
73	application fee of \$500, with no additional costs.
74	
75	Selectwoman Kilgore asked Chief French if he anticipated an increase in police services because of Keno.
76	
77	Chief French stated it is hard to predict, however he didn't think there would be an instantaneous demand
78	for additional services.
79	
80	Selectwoman Kilgore asked Mr. McIntyre what deductions where being referred in the informational letter
81	on Keno the board had received.
82	
83	Mr. McIntyre state that they are expenses which are two cents on every dollar. He further stated expenses
84	total approximately nine million dollars and revenues are approximately three hundred million dollars.
85	
86	The Select Board decided to table a vote on this issue until a later meeting date and time.
87	
88	Chair Maggiore asked to allow agenda item 14.3 next. The board was in agreement.
89 00	
90 01	Max Reich, St. Thomas Aquinas student presented the Select Board with a newer version of his flag design.
91	

92 Master Reich explained that each color on the flag represented something; blue is for the ocean and Little 93 River; yellow is for the sand and the land; white is for purity and peace; and the 13 starts represent the 13 94 colonies as well as 13 characteristics of the Town of North Hampton. 95 96 The Select Board stated they liked the symmetry better on the new design and were very impressed with 97 Mr. Reich's work. 98 99 Chair Maggiore stated it not need to go on the ballot and stated there could be several different options. 100 101 Selectman Miller asked who actually owns the design of the town seal and Chair Maggiore stated that 102 would need to be looked into. 103 104 Selectwoman Kilgore stated she would like to pursue the flag and felt it should be a decision of the town 105 not a sitting board to decide changing the current town flag. 106 Chair Maggiore stated three things needed to happen: 1) Ask about ownership; 2) Ask about showing 107 proposal at the Deliberative Session; 3) Ask the Town Moderator if it would be allowed at the Deliberative 108 109 Session. 110 111 7. First Public Comment Session 112 Public Comment is an opportunity for residents to ask questions, request information and make comments 113 on issues facing the Town. Individuals will be given not more than three (3) minutes to speak, and people 114 who have already spoken will be asked to wait until everyone has had the chance to speak once. The total 115 time devoted to this agenda item is fifteen (15) minutes. Individuals who are not able to speak during the 116 First Public Comment Session will be given first opportunity to speak during the Second Public Comment 117 Session at the end of the Meeting. 118 119 Jan Gosselin, Maple Road stated that Mr. Miller had made condescending remarks regarding her husband 120 at the January 8, 2018 meeting and asked the Chair to insure that type of behavior does not happen again. 121 122 Lisa Wilson, Runnymede Drive stated that the Portsmouth City Council had voted not to allow Keno on the 123 ballot, and encouraged the Select Board to do the same. 124 Chair Maggiore announced that Mr. Bryan Kaenwrath had signed a contract with the town as the new 125 126 Town Administrator, and his first day will be on March 12, 2018. 127 128 8. 14.1 Discussion of Proposed Copy Machine for Police Department – Chief Michael French

Chief French presented a proposal to the board to replace the current copy machine that the police department took delivery on in March 2014. He stated the machine is a five year lease to which they are in the fourth year of the lease.

Chief French stated the department continuously exceeds the maximum amount of black and white and color copies allotted each month, and they also have had extended periods of time when the copier is out of service and parts to fix the machine are not readily accessible. He further stated it is difficult to function without a copy machine as there are many needs for immediate use, and it is a mission critical machine.

Chief French stated an average of \$479.15 is spent each month on the machine due to overages. He researched a new five year lease with Toshiba as they were willing to forgive the remaining year on the current lease, and received a proposed cost of \$399 per month or a savings of \$80.15 per month. The amount proposed can be supported in the current and next year's budget. He further stated the price of \$399 per month includes overage charges.

## Motion by Selectman Miller to enter into a five year lease agreement of a copier, with permission given to Chief French executing the lease documents. Seconded by Selectwoman Kilgore. Motion carries 3-0.
