

LBHHC June 23, 2023 meeting

Attending: John Knapp, Angela Stevens, Margaret Schoenberger, Suzanne Worden, Debby Kanner

House Signs: We discussed final edits for the House Markers order form and letter. We will order house markers in weather proof sign board not wood. The markers will be stamped, and holes predrilled. The dimensions are 12x16.

Suzanne will updated the letter based on the revisions made at our last meeting. We will not offer to help with research, just provided guidance. Regarding payment, Angela will become second person on checkbook along with Margaret.

Margaret will prepare and send out the order form for final approval. At our next meeting we will stuff envelopes.

Next meeting: July 20th at 1:30.

Respectfully submitted,

Debby Kanner
