

## **LBHHC Meeting 8/11/23**

**Attending:** Suzanne Worden, John Knapp, Angela Stevens, Debby Kanner

**House Markers:** We have received 5 order forms and checks for house markers. Suzanne will take the order forms to Timberline Signs. We discussed ways to follow up. Debby has mentioned the project in the Little Boar's Head Heritage Commission piece that will be published in the LBH Annual Meeting Booklet. Angela will also promote the markers at the Annual Meeting and bring extra forms. Angela suggests putting information on the website. We could send a follow up message via email in November suggesting a marker as a holiday gift.

Margaret will deposit the checks and write a payment check to Timberline. Suzanne will take photos of received forms with her phone as backup. Angela has made hard copies of received forms. Angela has volunteered to deliver the markers once they are ready. Suzanne will let us know when they are expected to be ready.

**New Hampshire Historical Highway Marker:** Deadline is November 1st to be considered for 2024. Debby has composed the petition and will gather 12 signatures. The LBH Commissioners have agreed that the District will pay for the marker. At the next meeting we will address the application.

**Next Meeting:** Thursday August 31st at 2 PM

Respectfully submitted,

Deborah Kanner, Secretary
