NHYA: Pre K through grade 8 spring soccer had 65 sign ups for participation. Their tie dye tee shirts were a great choice. K through grade 4 baseball well underway with 65 kids and the field was in great shape and Joe complimented all the parents and kids for their upbeat attitude and dedication. Fall soccer is open for registration including the travel team. Knowles Field has had an issue with kids on mopeds disturbing play and the field. Banners and signs are posted restricting acces and trespassing after dakr. Parking restrictions need to be followed.

Memorial Day BBQ: Jane reported donations from Home Depot, Dunkins, Shaws, Hannaford and Joe's are in place. Everything has been ordered and we are ready. Volunteers are ready and we thank Marty for getting the new gas grill. Many thanks to Jason for allowing the use the fire station.

Old Home Day: OHD will be held on 8/13 with a big kickoff the night before at Centennial Hall. There will be an adult night with music, catered food and drink by the Old Salt. Joe was given a proposal by the Old Salt which was felt too expensive and could be reduced. Willow is arranging for KBK Sports to provide an auction of sports memorabilia. It will be decided on whether we pick up the auction items in Nashua or have the company provide on site management of the auction. Many questions will be answered regarding which items there will be, liability, posting ahead online and how best to manage. It is anticipated this will be a great event. A sponsorship plan was extensively discussed as this needs to be a fundraiser for the Commission. Friends, silver, gold and platinum status was discussed with Danielle and Willow agreeing to manage this aspect of OHD. There will be a fun run, kids games, old time baseball game, dunk tank, bingo, sack races, make your sundaes and some grilling and fire works at Dearborn as the big evening event. These are no cost events.

PASA: Events such as Bye Bye Birdie and lunches have been well attended and enjoyed by all. Always a success.

Marty made a motion to adjourn at 8:03, Willow seconded and all agreed.
