140 parents and kids attended the breakfast and it was considered a great success. Joe Manzi gave extra credit and many thanks to Kathy and Alex, her assistant for preparing the delicious breakfast. Also, thanks to Roberta, Kathy's mother and her sister Sharon for all the help. Many thanks as well to Josie, Melanie and Jim Maggiore for their help in making the breakfast a success. A big thank you to Tom Von Jess for making a Santa appearance. Thanks to the Recreation Commission members as well.

Ski program:

To date there are 38 students registered for the program with 20 students signed up for the bus transportation. Registration is still open for the bus. Joe and Pete will collaborate in January to review the bus transportation and to create specific plans for the schedule. Plans will be finalized for the bus loading at school and the mountain. There are returning chaperones and 3 new volunteers.

LWCF:

Joe will focus on the grant in January evaluating the time and effort needed to make this a success. The Seacoast School of Technology will collaborate with Joe as needed or requested.

Winterfest:

Winterfest will be held the first Saturday of the February vacation, the 25th. Ideas were discussed to use Knowles, Centennial Hall, school and Dearborn. The bonfire will be a part of Winterfest and a discussion followed about offering food hosted by Mike Higgins of The Old Salt. This will be further explored at next month's meeting.

The pottery class at the Rec was a great success.

Willow made a motion to adjourn the meeting at 6:41, seconded by Jane and agreed by all.
