Press Release

North Hampton Winter Parking Ban

North Hampton (NH) –

The North Hampton Police Department would like to remind the residents and visitors of North Hampton that the winter parking ban will be in effect beginning November 15th and ends on April 15, 2018. During this time period, vehicles are not permitted to be parked on the paved portion of the road, or within the town right of way between the hours of 12:00 A.M. and 7:00 A.M. Vehicles parked in violation of the ban are subject to being ticketed and or towed.

During snow storms or when one is expected, an emergency parking ban may be issued. The emergency ban strictly forbids on street parking that would hinder snow removal and the travel of emergency vehicles on state and town roads within the town of North Hampton.

Information about emergency parking bans can be found through local media outlets or posted on the North Hampton Police Department website.
