Description of event:

Half Marathon running race

Dates: Sunday Oct. 3 2021

Time: 8:10 AM – 9:25 AM

The Hampton Harbor Bridge should be closed and no bridge lifts from 8:10 AM till 9:25 AM. This allows runners to run a course over the bridge into Seabrook for ¼ mile then back again to Hampton. This event has about 5000 runners who come from over 48 states and supports many civic groups in Hampton and the Seacoast.

North and southbound traffic use Detours in Seabrook to Hampton as attached.

Seabrook Detour:

The detour for Northbound traffic on 1A will use Route 286 westbound in Seabrook to Rt. 1. Seabrook Police manage this area. Autos can use High Street or Winnacunnet to get to all points in Hampton, or continue to North Hampton on Route 1 to Atlantic Eastbound.

Town Officials: Hampton and Seabrook

Please see our attached applications to the towns of Hampton and Seabrook. Due to the pandemic, we were unable to start this process early to secure our permit. However, these permit applications are pending and we see no issue with getting approval as this is a long standing existing event.
