

Charge for Town of North Hampton
Advisory Buildings Committee

August 9, 2021

In the effort to propose practical, well-designed, and affordable municipal facilities that will have functional use of at least 50 years for the Town of North Hampton, the Select Board hereby constitutes an advisory Buildings Committee.

The Committee shall consist of three (3) residents of the Town of North Hampton, who shall meet together, subject to the requirements of the Right to Know Law, to review in conjunction with architectural and design professionals, town administration, and the Select Board (1) the proposed space needs for each functional area of town administration, police, and fire/safety; (2) a reasonable aesthetic in keeping with the Town's vision of its rural, New England heritage, and (3) cost estimates for the project.

The members of the Committee shall be: Brian Goode, Peter Robie, Josh Jeffrey. The chairperson *pro tempore* of the Committee will be the first named member on this list until or unless the Committee votes another member to be chair person. Scheduling of meetings will be at the discretion of the members.

Approved: Regular Select Board meeting, August 9, 2021
