Article XVI. **NEW POSITIONS**

Section 16.01 Additional positions created by management shall be exempt from the schedule of hours governing work shifts for current positions as of July 1, 2003.

Article XVII. **OVERTIME**

Section 17.01 Extra work periods of overtime should be equalized among the employees in the group engaged in similar work, as far as practicable. Information concerning equalization of hours status will be openly displayed in the department in such manner that the employees involved may check their standing.

Section 17.02 Overtime will be offered on a rotating basis within job classifications. Overtime will be distributed as equitably as possible with the understanding that employees who turn down overtime will lose any right to dispute the equitableness of the overtime. Overtime for paramedic coverage may be offered exclusively to paramedics provided there are a minimum of three (3) paramedics on staff.

Section 17.03 Employees shall be paid one and one half (1 ½) times their regular hourly rate of pay for all hours worked in excess of the employee's normal tour of duty, which is defined as a forty two (42) hour per week average over an eight (8) week cycle. For the purposes of this section, the use of sick leave during the pay period will not count as hours worked for overtime computational purposes, whereas compensated vacation hours paid during the pay period will be counted for overtime computational purposes.

The swap shall not impose any additional cost to the Town. Persons must be qualified to fill in for the position to be swapped. Swaps of less than two (2) hours do not require paperwork, but do require approval from the shift supervisor and a log entry.

Article XX. **VACATION**

Section 20.01 After an employee has been employed for one year, he/she shall become eligible for an annual vacation as follows:

- (a) After one year through five years of continuous service – 96 hours (8 work units)
- (b) Year six through ten of continuous service – 144 hours (12 work units)
- (c) After the completion of ten (10) years of continuous service - 144 hours (12 units) plus one work unit for each year after ten years of continuous service up to a maximum of 30 work units.

Employees who are accruing more than thirty (30) work units per year as of July 1, 2015 will be frozen at their current accrual rate.

Section 20.02 For the purpose of clarification, a shift is defined as a twenty four (24) hour work period and a work unit is defined as a twelve (12) hour work period or ½ shift.

Section 20.03 Vacation time will be earned on a fiscal year basis (July 1 – June 30). An employee who is hired after July 1 will accrue prorated vacation on his/her first anniversary date and will thereafter accrue vacation on July 1 of each year.

Section 20.04 Vacation may not be carried over from one year to the next, except when the employee's anniversary date falls in the last quarter of the fiscal year. Then it may be carried for a maximum of thirty (30) days. Employees may cash in unused vacation time at the end of each year. The employee must notify the Department Head in writing no later than May 15 and must indicate the number of hours desired to be cashed in. Once an employee provides such notice, those hours will not be available for the employee's use, except in extenuating circumstances and with the approval of the Chief. Payment shall be made at the employee's current straight time hourly rate in the last pay period in June.

Section 20.05 Requests for vacation time must be submitted for approval to allow ample time for scheduling coverage. Management reserves the right to decline a vacation request during the second half of the fiscal year, due to budgetary constraints, which shall not be determined in an arbitrary or capricious manner, if such vacation request would result in two (2) or more employees from the same shift being on vacation at the same time. In such case, the employee with the most seniority will be given preference. Fourteen (14) days advance notice is required for any request of two (2) shifts or more. Four (4) days advance notice is required for any request of one shift. Any request for time off with less than the required notice must be submitted with coverage. Vacation requests may not be submitted for Thanksgiving Day or Christmas Day or the preceding, or following other day, unless the employee has secured their coverage.

Section 20.06 Approved vacation time will not be thereafter cancelled or changed without the mutual consent of the Town and the employee. However, emergency situations may result in deviation from this provision. Employees must use vacation in increments equal to the time

allotted. An available vacation shift may not be exchanged for a shift of a different time allotment.

Section 20.07 The rate of vacation pay shall be the employee's regular straight time hourly rate of pay in effect for the employee's regular job at the time vacation is taken.

Section 20.08 Employees who are going on vacation may receive their payroll check in advance provided they submit a written request to the payroll department at least fourteen (14) days in advance.

Section 20.09 Any employee who is laid off, resigns, retires, or is otherwise separated from the service of the Town, shall receive vacation pay for all accrued vacation upon their separation from employment with the Town. The amount of payment for all unused vacation shall be calculated based upon the employee's regular straight time hourly rate of pay in effect for the employee's regular job on the last week day of the employee's employment.

Article XXI. **HOLIDAYS**

Section 21.01 The following days shall be considered paid holidays:

Section 21.02 In lieu of payment for each holiday, all employees covered by this section, shall receive two (2) additional weeks pay in two (2) separate checks made payable, one of the first pay day in June, and the other on the first pay day of December, whether the employee has worked the holidays or not. The June payment covers New Year's Day, Martin Luther King Jr./Civil Rights Day, Washington's Birthday, Memorial Day and Christmas Day. The December payment covers Independence Day, Labor Day, Columbus Day, Veteran's Day and Thanksgiving Day.

Section 21.03 If an employee leaves the employment of the Town prior to the payment of the holiday pay, he will receive a pro rate share of said holiday pay for each full month worked.

Section 21.04 Employees who are absent from work on the holiday for an unauthorized reason shall forfeit pay for the holiday.

Article XXII. **SICK LEAVE**

Section 22.01 Sick leave is considered to be an emergency fringe benefit used only when needed. All permanent employees shall accrue sick leave at the rate of one (1) unit per month for a total of twelve (12) units per year for each month of service from the date of probationary appointment. Employees hired after the 20th of the month are not eligible for sick leave until the following month. Time lost for reasons of leave or absence without pay or time otherwise not worked shall not be considered in computing earned allowances of leave. Sick leave may be carried over from year to year to the maximum of 45 shifts.

Section 22.02 In order to be paid for sick leave, an employee must notify his/her immediate supervisor or department head of his absence at least two and one half (2 ½) hours before the start of the regular work day, unless physically unable. Illness for which sick leave may be granted is defined as actual personal illness or bodily injury to the employee.

Section 22.03 Sick leave will be paid at the employee's base rate of pay. An employee on paid sick leave shall not receive pay for a holiday when the employee is on paid sick leave. An employee returning from sick leave which exceeds two (2) consecutive shifts may be required to supply a doctor's statement certifying that the employee is in good health.

Section 22.04 Upon retirement provided the employee has 20 years' service under the N.H. Retirement System, or retirement due to a job related injury, or upon the death of an employee to his/her designated beneficiary or estate, a payment not to exceed fifty percent (50%) of the accrued units to a maximum of 540 hours will be paid at a rate of the employees weekly salary divided by five (5) days at a rate of eight (8) hours per day.

Section 22.05 Each employee shall donate two (2) units per year of accrued sick leave to a Sick Leave Bank until the Bank reaches a maximum of sixty (60) units. If the number of sick days in the Bank subsequently falls below thirty (30) units, each employee will be required to donate one (1) unit per year until the Bank reaches the maximum accumulation. Sick leave units donated to the bank shall not be counted as units used under Article 22.06. An employee who has exhausted all his/her sick leave due to a catastrophic illness or injury may apply to use sick leave from the Sick Leave Bank, up to a maximum of twenty-three (23) shifts or until the employee becomes eligible for Long Term Disability Insurance, whichever comes first. The parties shall appoint a committee comprised of two (2) employees appointed by the Union and two (2) Board appointees to administer the Sick Bank. The committee must approve applications by a majority vote. The Committee's decision regarding eligibility shall be final and shall not be subject to the Grievance Procedure.

Section 22.06 An employee who has used less than six (6) units of sick leave in a fiscal year shall be entitled to a buy back of one-half of the unused sick leave units time accrued during that year, to be paid at his /her current straight time hourly rate. The employee must notify the Department Head in writing no later than May 15 and must indicate the number of units desired to be bought back. Payment shall be made in the last pay period in June. Employees whose employment with the Town is terminated for any reason prior to the last pay period in June shall not be entitled to any sick leave buy back. If an employee who receives a sick leave buy back uses sick time during the balance of the fiscal year which would have affected his/her entitlement to the buy back, he or she shall have the option of either repaying the buy back to the Town or having his/her sick leave usage count toward the following year's usage.

Article XXIII. **BEREAVEMENT LEAVE**

Section 23.01 When death occurs in an immediate family as defined below, the employee, on request will be excused for any of one two (2) twenty-four (24) hour shifts between the date of death and the date of the funeral inclusive. The immediate family is defined as including the employee's spouse, mother, father, children, brother, sister, father-in-law, and mother-in-law.

Section 23.02 An employee shall be granted, upon request, bereavement leave at full pay for one (1) twenty-four hour shift or two (2) twelve (12) hour units for the purpose of attending the funeral of a grandchild, grandparent, brother-in-law, sister-in-law, aunt or uncle.

Article XXIV. **MILITARY LEAVE**

Section 24.01 An employee with one or more years seniority who is called to and performs short term annual active duty for training as a member of the United States Armed Forces Reserve or National Guard, shall be paid as provided herein for days spent performing such duty provided the employee would not otherwise be on layoff or leave of absence.

Section 24.02 In order to receive payment under this paragraph, an employee must give the Town prior notice of such military duty and upon his/her return to work, furnish the Town with a statement of the military pay received for performing such duty. Payment under this paragraph is limited to a maximum of ten (10) working days in a calendar year, although additional days may be granted at the discretion of the Town. It is agreed that the decision to approve or not approve additional days shall not be subject to the Grievance Procedures in Article XII. In computing the pay due the employee, if any, payment will reflect the difference between the employee's regular weekly wages (based on straight time) and the military pay received for the week. The intent of this provision is to assure that employees will not suffer any loss of pay due to nor profit from military service. For example, if an employee's regular weekly wage is \$1000 and the weekly military pay was \$500, the Town would pay the employee \$500.

Article XXV. **JURY DUTY**

Section 25.01 An employee with one or more year's seniority who is summoned and reports for jury duty as prescribed by applicable law, shall be paid by the Town an amount equal to the difference between the amount of wages the employee otherwise would have earned by working during straight time hours for the town on that day and the daily jury duty fee paid by the court or agency (not including travel allowances or reimbursement of expenses) for each day on which he otherwise would have been scheduled to work for the Town.

Section 25.02 In order to receive payment, an employee must give the Town prior notice that he has been summoned for jury duty and must furnish satisfactory evidence that he reported for or performed jury duty on the days for which he claims such payment. The provisions of this section are not applicable to an employee who without being summoned, volunteers for jury duty.

Employees may use sixty percent (60%) of accumulated sick leave until Worker's Compensation benefits become effective. Sick leave payments may be repaid by the employee once Worker's Compensation benefits are effective.

Section 27.02 An employee who is receiving workers' compensation benefits may use accrued sick time to make up the difference between his or her regular base pay and the amount of workers' compensation payment.
