

Police Department Deficiencies 2021

1. Heating and Cooling systems, with significant issues in all seasons.
2. Septic and plumbing issues that cause considerable disruption and cost.
3. Inadequate file storage space (currently have file cabinets in hallways)
4. Inadequate evidence storage and processing space
5. Lack of separate office space and privacy for both administrative and Investigative tasks
6. No separate gun cleaning and storage space: officers eat meals, write their reports and clean their firearms in the same space
7. Need separate break/meal space
8. Size of both female and male locker rooms are inadequate.
9. No space for training or defensive tactics
10. Air circulation needs improvement for most effective use of breathalyzer
11. Layout of booking room is not ideal for safety and wasted space on unused holding cells is significant.
12. Public restroom needed off lobby.
13. Inadequate space for interviewing witnesses, victims, suspects.
14. Walls are not rated for privacy of sensitive discussions.
15. No separate juvenile space, as required by law.
16. Fitness area needed
17. Weather affects opening and closing of secure, exterior doors.
