Re: Large Assembly Application
Eastern States 20 Mile Road Race – March 26, 2017 (Sunday)

- This is an annual event, its 22nd year. I recommend again, three (3) cruisers and three (3) officers detailed. Approval of this assembly is based on the scheduling of these detail officers and vehicles, and of course timely payment following the event. It is the responsibility of the organizer to call the police department at least two weeks in advance to schedule the detail. The location of the details are as follows:
 - Two-Way Access from Willow Avenue at Ocean Boulevard
 - Atlantic Avenue at Ocean Boulevard
 - Sea Road at Ocean Boulevard
- Parade Permit to be signed by the Police Chief and returned to Don Allison following the Department Head approvals of the assembly.
- Under no circumstances police motorcycles or any other type of emergency vehicle from any other jurisdiction be permitted to utilize any type of emergency equipment (blue lights, red lights, sirens, etc.) in the Town of North Hampton for this event.
- Under no circumstances will any volunteer be permitted to conduct traffic control at any intersection or upon any roadway in North Hampton.
- I have placed my signature on the review section of the application, and if it is reviewed and approved by Code Enforcement, Public Works, Planning & Zoning, and Fire and Rescue I will approve the gathering based on the conditions set forth and required and forward it to Don Allison.

Michael E. Maddocks
Chief of Police

FAX: (603) 964-7249
EMERGENCY: 911

To: Michael Maddocks – Chief of Police
John Hubbard - Director of Public Works
Kevin Kelley - Code Enforcement and Building Inspector

From: Michael Tully – Chief of Fire & Rescue

Date: January 18, 2017

Re: Large Assembly Application
The Eastern States 20 Mile Road Race – March 26, 2017 (Sunday)

- There is a condition of a minimum requirement of one (1) certified EMT on site in North Hampton. Any Detail EMT must be either a North Hampton Fire & Rescue EMT or a privately hired EMT if no North Hampton Personnel are available. It is the responsibility of the organizer to call the Fire Department in advance to schedule the detail.
- Emergencies in North Hampton requiring transportation to local hospitals will be completed by the North Hampton Fire & Rescue.

Michael J. Tully
Chief of Department

Eastern States 20 Mile and the Run for the Border Half Marathon Safety Plan

The start of the 20-mile is located at the Traip Academy high school in Kittery. Runners gather in the parking lot, and turn right onto the road, which is managed by two Kittery police detail officers. The half marathon starts at the Wallis Sands State Beach Park, and is similarly managed by two Rye police detail officers.

Every major intersection along the entirety of the route is managed by paid police detail officers. In addition, non-trafficked turns are managed by veteran course marshals.

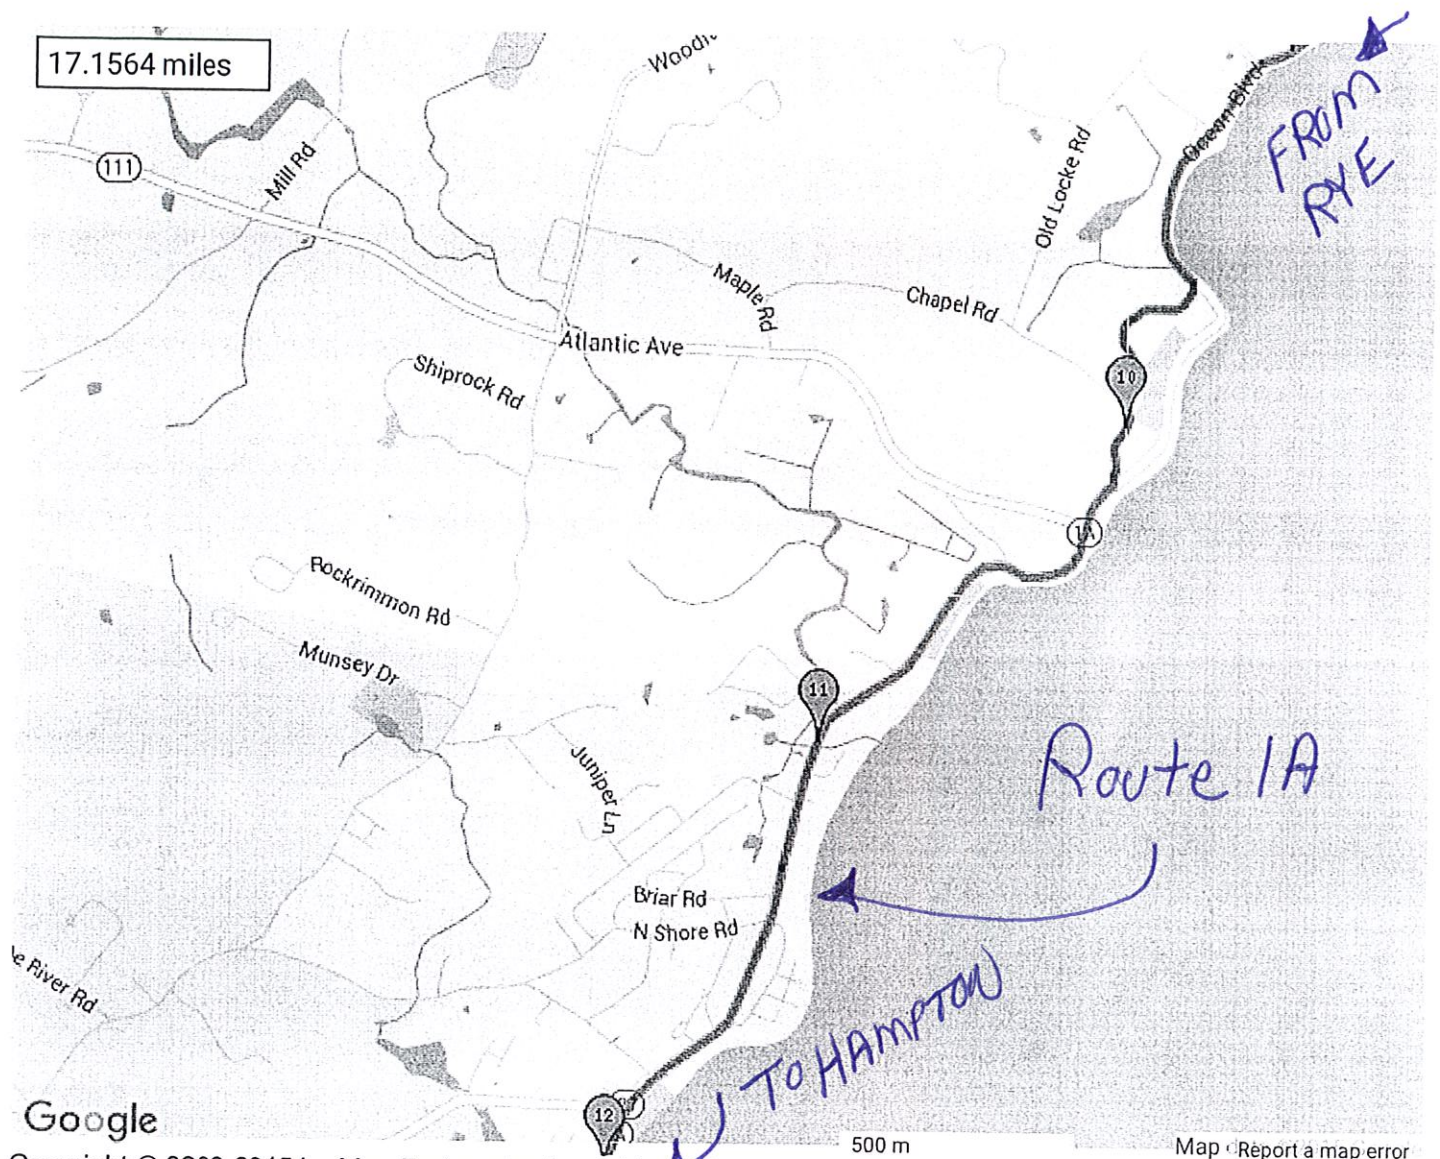

There are seven aid stations along the route. Each aid station is managed by a running organization, led by veteran runners. These volunteers are well versed in running, and are thus well trained in recognizing and dealing with emergencies that may arise at their aid stations.

At the rear of the race a "SAG" vehicle follows the last runners. This vehicle picks up any runners who need to drop out of the race and/or may be experiencing medical issues. If a runner drops out of the race, he or she is driven to either the next aid station or at the finish of the race.

The Rockingham ambulance company is contracted for the duration of the race. The EMT workers assigned to the ambulance are trained to deal with any medical emergencies that may arise. They patrol the course during the race, and are stationed at the finish line as the runners complete the race.

All aid station volunteers, key race personnel, and medical workers are given a laminated sheet with all necessary phone contact information, including emergency contact numbers, to use during the race.

For all of the 21 years the Eastern States 20 Mile and the Run for the Border Half Marathon have been held, the safety of all participants and race personnel has been of the greatest importance. We will continue to stress that in the 2017 event.
