In accordance with the requirements of RSA 160-B:7111, I have reviewed the above application and intended area for display and will forward it with the following recommendation:

Issuance of display permit

\_\_\_\_\_  
Chief of Fire Department

Denial of the display permit, for the following reason(s)

\_\_\_\_\_  
**Saf-C 5024.10(a)(b) Fire Equipment**

- a) The sponsor of the display shall arrange for the presence of one, or more members of the local fire department as may be required by the Fire Chief. They shall be on duty from the time the fireworks are delivered at the site until the termination of the display and removal of all fireworks and debris from the site. For the purpose of this rule, debris shall include any unignited fireworks or remnants containing explosive material.
  - b) The Fire Chief shall designate such fire extinguishing equipment as may be required at the display site from the time the fireworks are delivered at the site until the termination of the display and removal of all fireworks and debris from the site. The head of the fire department shall designate the location and type of fire extinguishing equipment.
