**A citizen's petition in support of contributing to the Library Capital Reserve Fund in North Hampton**

On petition with at least 25 other registered voters of the Town of North Hampton will see if the town will vote:

- to raise and appropriate by taxation the sum of one hundred and fifty thousand dollars (\$150,000) to be placed in the Library Capital Reserve Fund established in March 2006, for the planning and construction of a library addition or new building.

To serve the common good of our community, it is necessary to continue contributing to our Library Capital Reserve Fund. Prudent savings over time will allow us to save for our community's quality of life needs while ensuring that the needs do not compete with public safety monies.

Our library services give back to us, make all our lives better, and unify us as a community of informed citizenry.
