In attendance: James Sununu, Chair, Victor Rivera III, Allyson Ryder, Stuart Ormsbee (virtual), Bart Fromuth (virtual), Earl Chabot and Michael Tully

Call to Order 1802 hrs

The members discussed, edited, and finalized the language for the Aggregation Plan to be presented for public discussion and feedback. The group will be presenting this information at the public hearing dates on October 23rd and November 13th, 2023 at 7:00 pm during the Town of North Hampton Select board meeting.

Notification will go through Friday Folders, Town Offices and Committees, online postings, and community boards and outreach. Meetings will be posted in accordance with state law with town calendar being updated immediately. Draft plan will be available for download on the website.

The committee reviewed the presentation to be presented at the public hearing dates. There was discussion on roles and talking points to be presented including information that needs to be clarified. Mr. Tully will post a public quorum notice in case any committee members are in attendance for these sessions.

James Sununu made a motion to approve the September minutes from September 14, 2023, Victor seconded. Motion passed unanimously.

The group will reconvene after the two public meetings in October and November. Meeting notices will be posted at that time.
